# Welcome to Busy Broadstairs 2026!

Nestled among our stunning chalk cliffs are seven, individually unique, sandy bays. With convenient transport connections, Broadstairs promises memorable experiences throughout the year. In summer, you will find classic seaside fun alongside a vibrant calendar of events. Outside of the peak months, the breathtaking coastline is perfect for wrapping up for winter walks before popping into a warm and cosy café or bar.

Broadstairs town features plenty of cafes, restaurants, bars, and independent shops, perfect for discovering something special. History lovers will appreciate attractions like the Dickens House Museum, Crampton Tower and the acclaimed St Peter's Village Tour. Families will enjoy Lillyputt Mini-Golf and the amusement arcades. Sports enthusiasts have access to surfing, paddle-boarding, kayaking and a host of other local activities.

Evenings offer live music in friendly bars, films at the quaint Palace Cinema, a variety of shows at the Sarah Thorne Theatre, or simply a quiet evening stroll by the sea.

Broadstairs celebrates festivals throughout year, including the Broadstairs Blues Bash, Easter and Autumn Food Festivals, the Dickens Festival, Water Gala, Folk Week and Jazz Festival, booking accommodation ahead of time for these popular events is highly recommended. Enjoy daily music on the Bandstand, Punch and Judy shows, dazzling firework displays, scenic open-top bus rides and a monthly farmers' market.

There truly is something for everyone in beautiful Broadstairs.

# Around the coast

Broadstairs boasts an impressive seven sand-filled beaches and bays. Head to Joss Bay and learn how to surf or to rural Botany Bay to saunter amid towering chalk stacks.

At the town's main beach, Viking Bay, discover children's rides, beach huts, a surf school, the harbour and cliff top promenade.

The following information lists key points but for full details including Beach Wheelchair Hire, go to [www.visitthanet.co.uk/beaches-bays](http://www.visitthanet.co.uk/beaches-bays) where you can also watch a coastal film.

## Viking Bay

This magnificent horse-shoe-shaped bay is the main attraction in Broadstairs. Excellent for the family with tidal pool, children's rides and surf school.

- No Dogs allowed at any time from 1st May until 30th September.
- Seaside Award 2025

## Botany Bay

This hidden gem offers stunning views of white cliffs and beautiful chalk stacks. When the tide is out, it is a great location for fossil hunting and exploring rock pools.

- Seasonal lifeguards
- Access with steps
- Cafe nearby
- Public house and hotel nearby
- Toilets (seasonal)
- First aid point
- Dog ban 1st May to 30th September, dogs are not permitted between 10am-6pm.
- Very limited parking
- Combined Blue Flag and Seaside Award 2025

## Dumpton Gap

Dumpton Gap has a quiet, sandy bay with a promenade and kiosk. It offers one of the best low-tide walking routes to Ramsgate, but always check the tide times before setting off... parts of the beach are cut off by the rising tide, and there is no way off the beach when this occurs.

- Beach chalets for hire
- Restaurant/cafe nearby
- Toilets (seasonal)
- Disabled access to the beach
- Dogs are welcome all year round

## Joss Bay

A surfer's paradise, Joss Bay is a popular 200 metre long bay, known as Thanet's best surfing beach. It is surrounded by fields and a golf course, offering a wide expanse of sand and carefree play. The beach will get cut off at both ends at high tide.

- Toilets (seasonal) & Disabled
- Seasonal lifeguards
- Disabled access to the beach
- Parking
- Surf School and Kiddies Corner
- Café, Deckchair/ Lounger hire, Rockpooling, Beach shop.
- No Dogs between 10am-6pm, 1st May to 30th September
- Combined Blue Flag and Seaside Award 2025

**Be Beach Safe.** This means checking the weather and the tides, keeping an eye on your family, and not using inflatables. In an emergency, call 999 for the Coastguard.

## Kingsgate Bay

Kingsgate Bay has some of the best examples of sea caves in Thanet. The sandy bay offers calm and seclusion and is accessible via a set of steep steps. While sand is exposed at high tide, the beach does get cut off by the sea at both ends.

- Beach chalet hire
- Public house nearby
- Cafe/Restaurant nearby at Botany Bay or Joss Bay
- This bay is dog friendly all year round.
- No Lifeguard or Public Toilets

## Louisa Bay

Louisa Bay is a lovely small, popular tucked away bay that is great for rock pooling. There is a cafe along the promenade for when the tide is high and the beach is completely covered by the sea.

- Disabled access to the bay is via a slope
- Beach chalets
- Cafe
- Dogs must be kept on leads from 10am to 6pm, 1st May until 30th September
- Seaside Award 2025
- No Lifeguard or Public Toilets

## Stone Bay

A beautiful bay, with scope for rock pooling, popular with families. The promenade leads into Broadstairs town and is a great bay to get away from the hustle of the main sands at Broadstairs.

- Beach chalet hire
- Water fountain refill
- Seasonal lifeguards
- Bay information/Inspector
- Disabled access
- Café (Seasonal)
- Toilets via stairs (seasonal)
- No Dogs between 10am-6pm, 1st May to 30th September

All dogs on promenades adjacent to beaches and on the clifftop above Viking Bay should be kept on leads.
